SUMMARY

Web Developer | BCA in AI & ML | MCA Candidate

I am a web developer with expertise in HTML, CSS, JavaScript, and React. I hold a BCA with a specialization in AI and ML and am currently pursuing an MCA. With experience in creating responsive Modern websites and ecommerce platforms, I am skilled in using frameworks like Bootstrap and Tailwind CSS. I am eager to apply my web development skills in a dynamic and challenging role.

EXPERIENCE

Web Developer, GD Solution

Jul 2023 – Nov 2023

- Enhanced website performance by debugging code and implementing new features, resulting in improved user experience and functionality.
- Developed user-friendly, responsive websites using HTML, CSS, JavaScript, and web development frameworks, ensuring compatibility across devices.
- Gained hands-on experience in web development through a five-month internship, collaborating with senior developers on various projects.
- Utilized PHP and MySQL for backend development, effectively managing data and improving website interactivity and functionality.

PROJECTS

AGENCY WEBSITE | HTML CSS JAVASCRIPT PHP MySQL BOOTSTRAP
